

Presents

Genetic Roulette - The Gamble of our Lives

*A film by Jeffrey M. Smith, Narrated by Lisa Oz**

*A screening of an important documentary on
how genetic changes to our food supply
adversely affect our health and environment.*

**Courtesy of Resistance Cinema*

Following the screening, a discussion led by:

- **Catherine Skopic** (NGO Representative to the United Nations - Environmental Activist) and
- **Joan Davis** (Gray Panthers and Environmental activist)

will address the important issues raised.

When: Wednesday, July 24, 2013 2:00-4:00 PM
Where: Lenox Hill Senior Center at St. Peter's Church –
East 54th Street
(between Lexington and Third Avenue)

(Take #6 subway to 51st Street)

For more information, call Gray Panthers (917) 535-0457
