

Gray Panthers NYC deems the current threat to Social Security, Medicare and Medicaid to be a matter of urgency. We commit to initiating and/or supporting whatever actions necessary to defend against the diminution or elimination of essential services designed to keep older persons living with independence and out of poverty. Gray Panthers is further committed to improving existing benefits so future generations and all who are aging may be similarly assured.

YOU will make a difference. Our next meeting is on **March 16, 2017, 6 PM**, at the office of Transportation Alternatives, **111 John Street, Suite 206, New York, NY 10038**. Would you like to come? Looking forward to seeing you then.

We are calling upon a cadre of committed volunteers to:

- *Strategize* with local and national groups
- *Inform and Mobilize* the public
- *Preserve* Medicare, Social Security and Medicaid
- *Educate* younger people that we fight for them as well as for older persons

“Activism and Advocacy Against Ageism” The Gray Panthers envision a world where the old and the young have much to contribute to make our society more just and humane, and in which each reinforces the other in goals, strategy, and action.
