

**IT'S ALL FUN  
AND GAMES 'TIL  
SOMEONE LOSES  
THEIR RIGHTS.**

Your voice is needed now more than ever to fight ageism in all its forms; to challenge the falsehoods and misinformation constantly being perpetuated about Social Security, Medicare, and Health Care Reform; to advocate for the environment, for affordable housing, and so many other issues that are of vital importance to all of us. It's no exaggeration that, if left unchallenged, these lies threaten to weaken the very foundation of our democracy.

Gray Panthers NYC Network is working tirelessly to get the facts out there, and stand up to legislators, to lobbyists, to anyone who seeks to distort the truth and create confusion.

**BECOME A  
GRAY PANTHER  
AND WORK FOR  
CHANGE.**

We believe in participatory democracy. Our members define the organization's values, purpose, and issues.

Below are just a few highlights to show the impact Gray Panthers NYC Network has been able to achieve:

\*Gray Panthers NYC Network was among the earliest critics of American soldiers being sent to Iraq and Afghanistan, and gained national attention when several members were arrested in an act of civil disobedience.

\*Gray Panthers NYC Network was the first organization in the nation to raise awareness around the effects of environmental degradation on older people worldwide.

\* After Hurricane Sandy, Gray Panthers NYC Network headed a citywide Task Force to identify the mental health and housing relocation needs of New York's older and disabled populations.

**TAKE  
ACTION  
NOW.**

**WITH YOUR SUPPORT,  
OUR GROWL WILL RISE FROM  
A RUMBLE TO A ROAR!**
